ley gang, who was released temporarily from the Raiford prison to redollars' worth of stolen bonds, escapted at St. Cloud at 4:30 p. m. to-

According to information reaching The Orlando Morning Sentinel, Tracy, accompanied by State Criminal Inprison guards, had gone into the Everglades and pointed the way to the hiding place of the bonds, which the report said, were found to be foreign, and worthless.

This was the second time that Tracy had been taken to a bond cache under guard. The first time he found \$31,000 in securities when taken out by Jarman and a deputy

The party was on its return trip to Orlando and subsequently to Raiford, where Tracy is junder a life sentence for the murder of a prison guard, when the escape was effected.

A CCORDING to the report, the party stopped at a garage in St. guards got out and went into the as Babe hit another homer. Page 19. went off in the automobile, at Tracy's as speculators for the advance blacklisting merchants and profesrequest that he be allowed to go for regained control of the Exchange. sional men considered enemies of a moment to the home of a relative named Simmons.

The report states that the guard took the prisoner to his relative's home and went inside with him. Tracy left the room to go to the bathroom and before the guard could follow him, escaped through a rear door. The guard returned immediately to the garage where he had left the rest of the party and summoned assistance. Officials at St Cloud immediately instituted search GIRL'S BODY FOUND for the man believed to be one of

Wire News For Sunday's Herald

Six leased wires bring in upwards of 120,000 words of news to The Miami Herald every day in the week, and readers of The Herald on Sunday have the advantage of the accurate Associated Press the same as on week days-something no other newspaper in Miami can offer.

Complete Associated Press service from 5 a. m. Saturday to 3 a. m. Sunday is available only to readers of The Herald. No other newspaper is permitted to have it.

This service includes the trunk line printer wire, the state wire, the market wire and the special racing wire, all Associ-

ated Press. Then there is the high-speed Universal Service printer wire and the United News printer. No other newspaper can give you as much telegraph news on Sunday as The Herald, because no other newspaper can obtain such complete facilities as The
